

WCPS EDUCATION FOUNDATION

Sponsor Giving Levels

The Washington County Public Schools Education Foundation enhances education for all students by securing resources to support innovative teaching and learning.

The Foundation supports numerous school and community programs, such as Mini & Maxi Teacher Grants, GLOW Financial Literacy and the FAFSA Frenzy. These programs provide opportunity and enrichment for WCPS students. With your support, these programs will grow and even more students will benefit. Please consider donating to Washington County Public Schools Education Foundation.

In acknowledgement of their support, donors will receive the following signs of recognition and appreciation.
